PATTERN NOTE

- Instructions are written in rounds & row, using US terminology.
- Make invisible decrease stitches to have a better result.
- Add toy stuffing according to instruction of each part.
- Stitches should be close together so that when the finished toy is stuffed, the stuffing does not come out through gaps in the stitches.
- Changing color and joining yarn: Work in the previous color (or yarn) until two loops of the last stitch remain on the hook. Use the new color (or yarn) to complete the stitch. Continue working with the new color (or yarn) as before. Then knot both yarns to make sure the stitch stays tight.
