Supplies

I used Scheepjes Catona (4ply/Sport) 50g ball = 125 metres

Schachenmayr Catania (4ply/Sport) 50g ball = 125 metres

Scheepjes Sweet Treat (2ply) 25g ball = 140 metres, in the following colours:

If you can't get hold of the same yarn I used then this website Yarn Substitution is a good online resource for finding alternatives.

Crochet Hooks: 2mm (I use Clover hooks)

9mm safety eyes, I purchased mine here: Eyes

2mm wire, purchased mine here: BENECREAT 12 Gauge (2mm)

Needle for weaving in ends/Long sharp needle for attaching the head

Fabric Glue or Hot Glue to attach the wig base (optional, you can sew it)

Stitch markers

Stuffing

Blusher/blusher brush, I purchased mine here: Blusher

Gauge

Using the materials suggested my doll was approx. 26 cm tall

You can change the size of the doll by using a smaller/bigger hook and thinner/thicker yarn.

Notes

The doll is worked in continuous rounds, do not join at the end of each round unless specifically asked to in the pattern.

Use a stitch marker/scrap of contrast yarn to keep track of where you are. I mark the last stitch of each round.
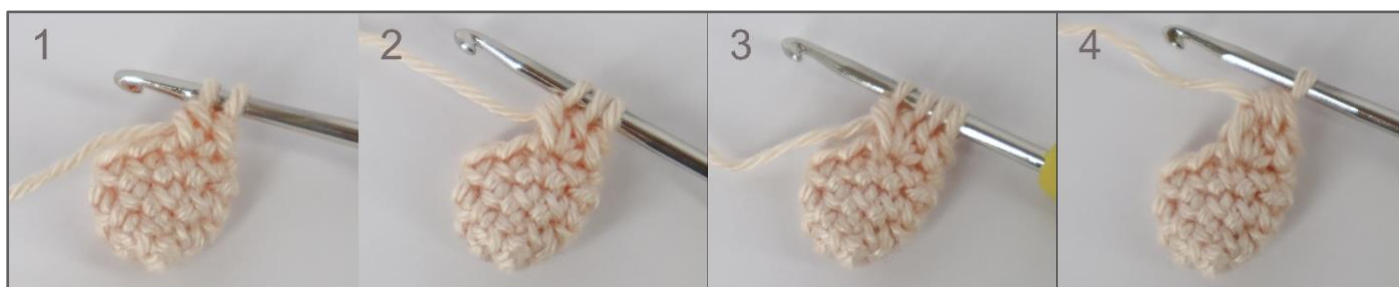

Sc2tog/Invisible decrease:

Invisible increases: Work the first of the two stitches by inserting the hook into the back loop only, work the second of the two stitches into both loops.

3dccl

1. Yarn over (yo), insert your hook into the indicated stitch, yo, pull up a loop, yo, pull through 2 loops. You'll have 2 loops left on your hook and one half-worked double crochet.

2. Yo, insert hook into same stitch, repeat Step 1. You'll have 3 loops on your hook and two half-worked double crochets.

3. Repeat Step 2. You'll have 4 loops on your hook and three half-worked double crochets

4. Yo, pull through all 4 loops on hook.

X-shaped single crochet

To make the x shaped single crochet:

Insert hook into stitch, yarn **under**, pull up a loop, yarn **over**, pull through 2 loops

This method creates a tighter cleaner looking stitch.

Standard single crochet

To make the standard single crochet:

Insert hook into stitch, yarn **over**, pull up a loop, yarn **over**, pull through 2 loops

Back Bumps

How a crocheted chain looks from the back:

Insert crochet hook into the "bumps" as indicated by the arrows.

On the next row you will connect the arms. Each arm is connected over 3 sts on Rnd 21, so you will work through the first stitch on the arm and the next stitch on the body (going through 4 loops) when you make your single crochet. See picture below to show the 3 sts on each arm you need to work through. You will work through the stitch marked 1 first. I like to work over the tail end.

Pause here to insert the eyes and embroider the face and crochet the ears:
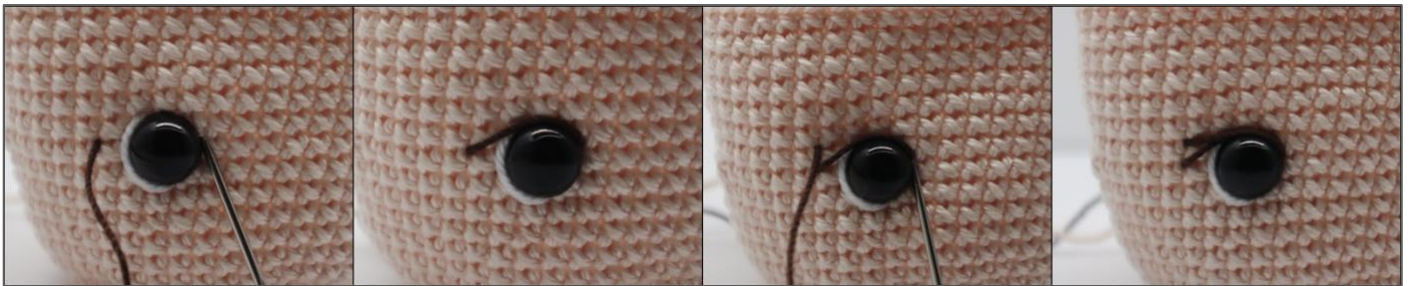

Eyes

Firstly, insert your safety eyes and use the white yarn to embroider round the eyes as shown on photo below.

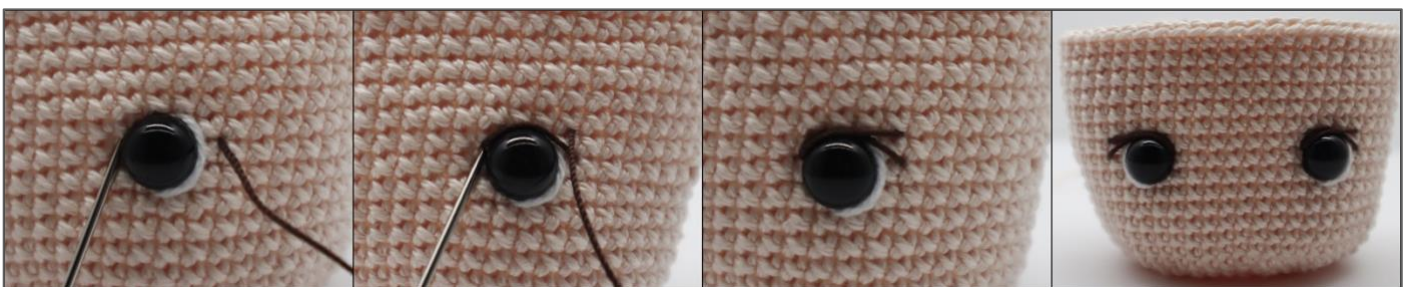

Use Sweet Treat colour 162 Black Coffee to embroider the eyes/eyebrows. Follow the photos below:
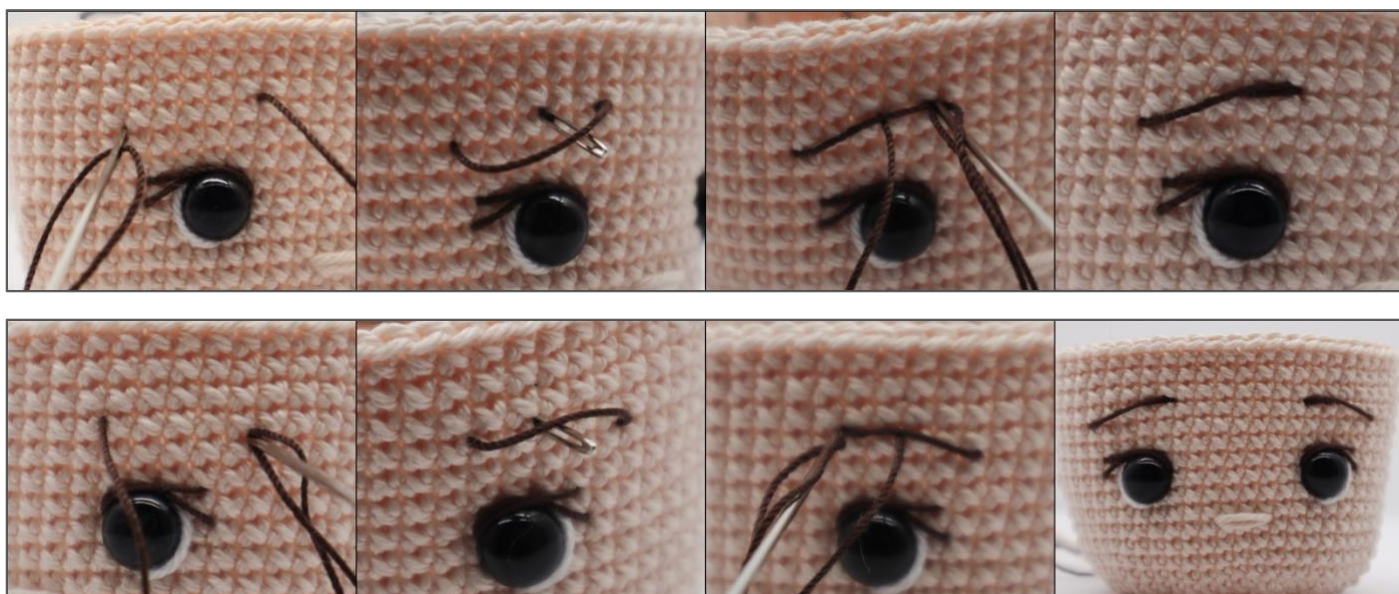

Right Eye

Left Eye

Nose

The nose is worked across 3 stitches between rows 20 and 21. Thread your needle and bring the needle out where the yellow dot is, back in where the red dot is then back out where the yellow dot is 3 times. Knot the ends together inside the head. See photos below:

Eyebrows

Ears

The ears are worked into the dc stitches you made on round 23. Insert hook (see photo below) pull up a loop and ch1, make 6 hdc, fasten off, use a needle to sew the tail ends inside the head and knot together.

Start stuffing the head, keep stuffing firmly as you go

Rnd 31-33 sc in each st around, (54)

Rnd 34 *sc in next 7 sts, sc2tog* 6 times, (48)

Rnd 35 *sc in next 6 st, sc2tog* 6 times, (42)

Rnd 36 *sc in next 5 sts, sc2tog* 6 times, (36)

Rnd 39 *sc in next 2 sts, sc2tog* 6 times, (18)
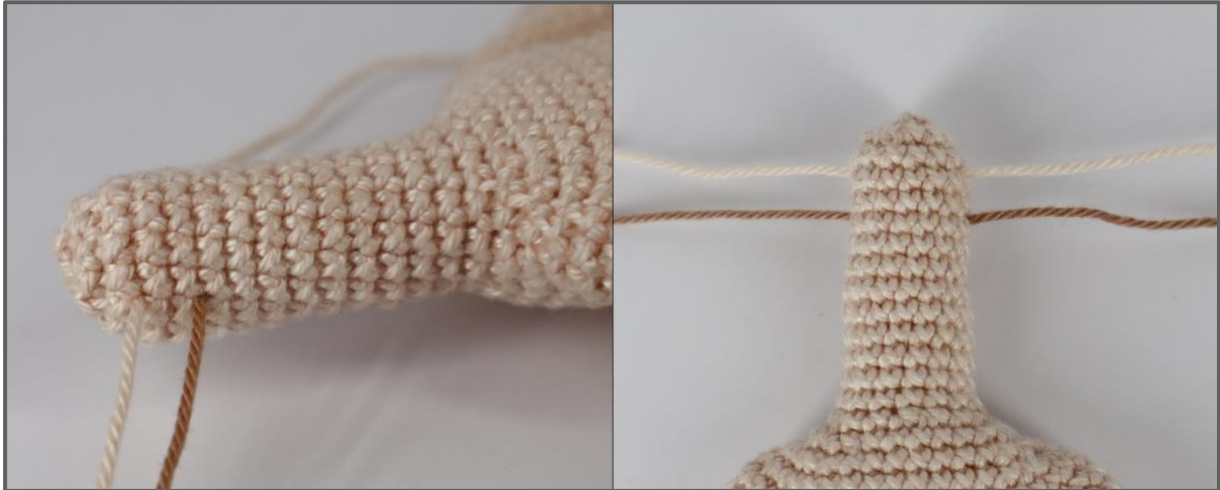

Rnd 40 *sc in next st, sc2tog* 6 times, (12)

Fasten off, leave a long tail to close the hole but don't do it yet.

Connecting the body to the head

You will need a long sharp needle for this part. Cut 2 pieces of cotton yarn approx. 50cm long. I have used 2 different colours.

Using the needle sew the 2 pieces of cotton through the neck stump, the first at between rows 35 and 36, the second approx 2 rows down:

Then sew each strand through the neck cavity and up through the top of the head.

Sew 2 through one side and 2 through the other in the spots I have highlighted in red (it doesn't have to be exact just roughly in that area:

Push the head onto the neck stump and pull all the stands tightly. Then knot the paired strands together (so the two skin ends are tied together and the two brown ends are tied together). I made several knots in each pair. Hide the ends inside the head. Use a needle to thread the tail end through the front loops of the remaining stitches and pull the hole closed. Weave in ends.
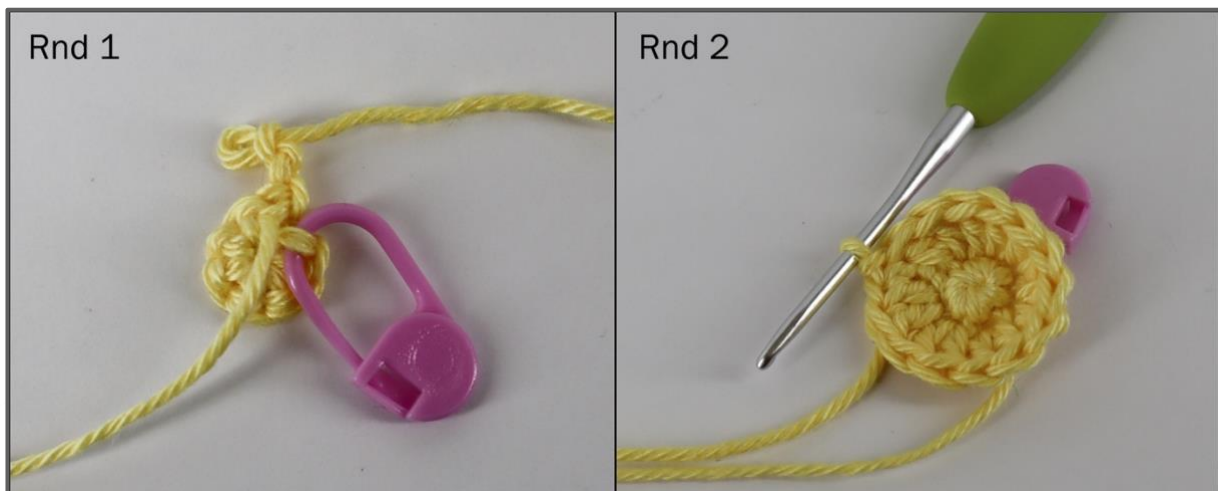

Hair

Start with 2mm, colour Catona 522 (Primrose)

Use the standard single crochet

Wig Base

Rnd 1 Create a magic ring, make 7 sc into the ring, join to the front loop, (place a stitch marker in the back loop), (7)

**Rnd 2** (FLO)ch2, dc^ in same st, dc^ in each st around, join, (14)

Rnd 3 ch2, dc^ in each st around, join, (28)

Do not fasten off you will now work in rows, joining every other row with a slip stitch to round 3 of base. When crocheting into the chain stitches work in the "back bumps". See notes for a diagram of the back bumps.

Row 1 ch16 sc in 2nd ch, sc in next 14 sts, sl into next st on row 3 of wig base, ch1 turn (15)

Row 2 (work in FLO) sc in next 15 sts, ch1 turn, (15)

Top layer/Bun

Join yarn to a loop on row 1 of wig base

Strand 1 ch100, sl into **same** loop on base, (99)

Strand 2-7 ch100 sl st to **next** loop on base (99)

Cut a piece of yarn and use it to tie the 7 strands together:

Attaching the wig

Secure wig base of hair into position on the head using pins, wrong side facing up.

Pin Round 1 of the hair wig on the centre of the head.

Rows 1-25 are positioned at the back of the head

Pin Strand 1 above the left ear. Pin Strand 8 above the right ear.

When you are happy with the position you can sew or glue in place using fabric/hot glue.

Next pin strands 2,3 and 7 in position as shown in the photographs below and sew in place:

Now twist the strands of the top layer and roll to form a bun on top of the head, when you are happy with the position sew in place.

Hair Tie

Hook 2mm, colour 205 (Apfel)
