PAW *make 2*
with white & pink yarn, start with white

R1: 8sc in MR (8)
R2: inc x8 (16)
R3: (sc, inc) x8 (24)

*pull out white yarn and remove your hook
but leave the white yarn attached*

*insert your hook in the next st of the round and pull up
a loop with **pink yarn***
(ch2, BO in the same st, ch2, skip 1st, slst) x4
F/O pink yarn and continue with the white yarn you left before.

R4: (inc in ch2, inc in BO, inc in ch2, slst between BO in the
      st you skipped in the previous part) x4, (2sc, inc) x4, 3slst (47)

F/O the 1st paw but do NOT fasten off the 2nd one,
continue on next page...

> **!**
> ♥
> After every BO,
> make sure to push it
> back a little bit, so
> you can cleary see
> all st and be careful
> to not miss a st!

connecting
the pieces

Make sure to stuff firmly before closing it fully!

...with the 2nd paw still on your hook,
lay the 1st paw on top (back to back) and
slst all the way around.
F/O and weave in all ends.

HEART *make 2*
with pink yarn

Make a slipknot and ch3, slst into the 1st ch to create a circle, ch2,

work all the following st into that cirlce

3tc, 3dc, ch1, 3dc, 3tc, ch2, slst

F/O and leave a long tail for sewing or weave in ends if you want to glue the heart to the paw.

you can sew/glue the heart up or downwards, each heart to the middle of the paw on each side
If you decide to sew the pieces together, only go through the back loops of each paw!

CHAIN
with white yarn

Insert your hook in the top of the paw,
between the 2 middle claws and pull up a loop
with white yarn,

You can change the length of the chain by
making more or less chains

ch50, slst back into the paw,

F/O and weave in ends.

CONGRATS!
